October 9, 2009

The next meeting of the South Carolina Regional Transmission Planning (SCRTP) Stakeholder Group will be held November 11, 2009 in Columbia, SC. The primary purpose of this meeting is to select up to five transfer scenarios for Economic Planning study.

Also at this meeting, we will discuss 1) any comments received on the SCE&G or Santee Cooper transmission expansion plans (if you have comments or suggestions please provide them), 2) updated modeling information (new load forecast) and 3) the results of recently completed reliability assessment studies.

The meeting will occur on:	November 11, 2009 10:00 AM – 3:00 PM (lunch will be provided)
The meeting location is:	SCE&G - Lake Murray Training Center Lexington, SC 29072

(Later I will send a map and directions to those who register to attend in person and web-conference information to those who register to participate by web-conference.)

If you plan to attend in person or participate by web-conference, please register using the meeting registration tool on the SCRTP website (www.scrtp.com) and remember to select your participation method.

I hope you will be able to participate in this meeting and provide your input and comments into the expansion plans of the SCE&G and Santee Cooper systems.

If you have any questions, please give one of us a call.

Clay Young
SCE&G - Manager of Transmission Planning
