March 1, 2010

The next meeting of the South Carolina Regional Transmission Planning (SCRTP) Stakeholder Group will be held March 23, 2010 in Charleston, SC. As discussed in the last Stakeholder meeting, the March meeting is going to be a combined meeting with two major purposes. The first major purpose is to present and discuss with the Stakeholder Group the initial findings of the 2009/2010 Economic Planning studies and the second major purpose is to kick-off the Reliability Planning process which includes discussions of the current transmission expansion plans and modeling information and assumptions.

At this meeting, we will also discuss the results of recently completed reliability assessment studies.

The meeting will occur on:	March 23, 2010 10:00 AM – 4:00 PM (lunch will be provided)
The meeting location is:	Hilton Garden Inn - Charleston Airport 5265 International Blvd North Charleston, SC 29418 direct: 843-414-2564 hotel: 843-308-9330 fax: 843-308-9331 www.charlestonairport.hgi.com (There is no block of rooms reserved)

If you plan to attend in person or participate by web-conference, please register using the meeting registration tool on the SCRTP website (www.scrtp.com) and remember to select your participation method.

I hope you will be able to participate in this meeting and provide your input and comments on the expansion plans of the SCE&G and Santee Cooper systems.

If you have any questions, please give one of us a call.

Clay Young
SCE&G - Manager of Transmission Planning
